REVITALIZING. STRENGTHENING. RESULTS

EXTRAORDINARY RESULTS FOR HORMONAL, INFLAMMATION AND NUTRITIONAL DEFICIENT HAIR LOSS

Stimu Root Therapy™

Stimu Root Therapy™ is a highly effective system designed to combat thinning and aging hair.

The Stimu Root Therapy is recommended for both men and women who are experiencing thinning hair due to the early stages of aging hair and or high stress levels.

This powerful, non-invasive system is excellent for thinning concerns and is gentle enough to be used daily that works well on all hair textures.

Restor Root Therapy™

Restor Root Therapy™ is designed to address DHT one of the major causes of hair thinning and hair loss.

Restor Root Therapy System proactively combats the progression of aging hair, and all hair loss concerns.

This stimulating system is packed with 11 DHT fighting ingredients and has a powerful proven topical stimulator to promote growth. It also provides a clean detox scalp stimulating healthy hair growth.

Hair Strengthening Therapy™

Hair Strengthening Therapy™ is excellent for those who are looking to maintain healthy hair. It's an effective system to help minimize any damage from excessive heat, chemical services, and hair extensions.

The Hair Strengthening Therapy System is designed for exceptional hair and scalp health to continue creating a clean scalp with fuller, thicker, shinier, and healthier hair.

DISCOVER YOUR MISSING LINK TO HEALTHY, RESTORATIVE HAIR

Rx NUTRIENTS™

Rx NUTRIENTS™ is a unique, 3 in 1 herbal supplement containing 8 powerful DHT fighting ingredients, which can adversely affect your hair follicles and overall hair health. This unique herbal formula also contains complete hair nutrition and a proprietary marine extract blend; proven safe and effective for both men and women.

What makes this 3 in 1 herbal supplement unique?

- 8 DHT fighting ingredients
- Complete Hair Nutritional
- MGC™ (Marine Complex)

RESTOR ROOTS™

RESTOR ROOTS™ is a high performance topical stimulator combining Saw Palmetto Extract; a powerful DHT fighting ingredient designed to combat the progression of aging hair. RESTOR ROOTS™ also contains Aloe, a known soothing agent.

This product is recommended for men and women with aggressive thinning/aging hair concerns

STIMU ROOTS™

STIMU ROOTS™ is a unique, herbal formula packed with 11 DHT fighting ingredients and is rich with high performance nutrients to help revive thin, dull, damaged and aging hair.

STIMU ROOTS™ is a superior, natural formula designed to help stimulate your hair and scalp naturally, with its high percentage of Panthenol and Cysteine; a keratin protein, essential for strong, healthy hair.

STIMU ROOTS™ revitalizes and conditions the hair and scalp encouraging healthier, fuller and thicker looking hair.

DETOX ROOTS™

DETOX ROOTS™ is designed to break up and dissolve sebum, which often clogs hair follicles, enabling more targeted absorption of topical simulators like Minoxidil, STIMU ROOTS™ and RESTOR ROOTS™.

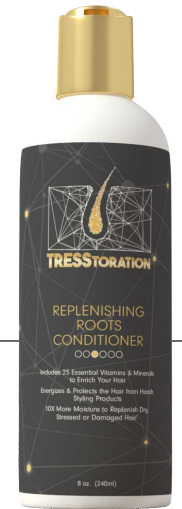

- Contains a strong concentration of B vitamins; particularly B5, which is known to be essential for healthy hair.

- Cleanses the scalp of sebum, flakes or debris, enabling better penetration of Minoxidil or other topical stimulators to the dermal papilla to work properly.

ULTRA ROOTS SHAMPOO™

ULTRA ROOT SHAMPOO™ is a unique, superior formula, free of SLS, DEA, and Parabens, which can be very drying to the hair and also known to cause hair and scalp irritation. ULTRA ROOTS SHAMPOO™ contains 11 powerful DHT fighting ingredients, to help protect against hair aging. This unique formula removes scalp residue and build-up, prepping for optimal hair health.

REPLENISHING ROOTS CONDITIONER™

Nourish and condition your hair and scalp with essential vitamins, minerals and amino acids. REPLENISHING ROOTS CONDITIONER™ protects the hair from heat and harsh styling products; leaving the hair looking fuller, thicker, and shinier.

STRENGTHENING ROOTS CONDITIONER*

This superior leave-in conditioner preserves elasticity in the hair and scalp. This award-winning, high performance, light formula is great for all hair types. Also great for use with wigs, extensions and hair systems!
